From Birmingham?

Ready to transform your life?

Join the A.R.I.S.E. Programme!

- A - adaptable
- R - resilient
- I - industry-ready
- S - skilled
- E - empowered

About A.R.I.S.E

The A.R.I.S.E. Programme is a life-changing opportunity for young people from disadvantaged backgrounds in Birmingham.

This partnership project, funded by City & Guilds Foundation and developed & delivered by ReGenesis Youth UK CIC, is designed to empower you with self-awareness, life skills, and employability training that leads to guaranteed opportunities in thriving industries.

What's in it for you?

- **4 Weeks of Interactive Workshops & Mentoring**

Led by lived experience professionals, you'll gain critical self-awareness, life skills & explore rail and construction opportunities.

- **Digital Credentials**

Earn official City & Guilds digital credentials for each workshop and for completing the programme, a valuable addition to your CV!

- **Industry-Specific Training**

After the workshops, you'll join a City & Guilds Training / Intertrain skills bootcamp in rail or construction, where you'll receive specialised training.

- **Guaranteed Employment**

Successful completion of the bootcamp ensures guaranteed job opportunities with employer partners, leading employers in rail or construction.

- **Alternative Career Support**

Not interested in rail or construction? No problem! Our partner, Pertemps, will help you explore other training and employment opportunities tailored to your aspirations.

- **Work Experience Mentor Support**

Access to rail or construction mentors, who will provide scheduled phone call sessions, offering guidance, support & practical advice to help you navigate any workplace challenges and build confidence in your role.
